Dear Year 11 Pupils and Parents/Carers,

How to Help Your Child Succeed Evening

As your child begins their final year of secondary school, we would like to invite you to our How to Help Your Child Succeed Evening on **Tuesday 6th October 2026**.

This event has been designed to provide pupils and parents/carers with valuable information, guidance and resources to support success in the lead up to GCSE examinations. This evening has been specifically designed to help pupils prepare effectively for their Pre-Public Examinations (PPEs), which begin on **Monday 19th October 2026**, by providing practical revision strategies, subject-specific guidance and valuable resources.

The evening will begin at **5:00pm**, when families will have the opportunity to visit a range of department stalls located around the school. Staff will be available to share revision materials, study resources and practical advice on how pupils can maximise their progress in each subject. This will be an excellent opportunity to gather resources and speak directly with subject specialists about how best to prepare for the upcoming PPE examinations.

At **6:00pm,** there will be a series of presentations in the Main Hall, including a welcome from the Executive Principal, followed by key information and guidance from our English, Maths and Science departments. These presentations will focus on the strategies that have the greatest impact on achievement and how parents/carers can best support learning at home during this important stage of Year 11.

The evening will conclude following the presentations at approximately **6:45pm**.

We strongly encourage all Year 11 pupils and their parents/carers to attend this important event.

Please complete this Microsoft Forms link to confirm whether you will be attending. This will help us with planning and ensure that we have sufficient resources available on the evening.

We look forward to welcoming you and working together to support a successful Year 11.

Yours faithfully,

Ryan Cutten
Assistant Principal
