October 2026

Dear Parents and Carers,

Restart a Heart Day - CPR Training for Year 9 Pupils
Friday 16 October 2026

We are delighted to share that our Year 9 students will be participating in Restart a Heart Day on Friday 16th October 2026, in collaboration with the Yorkshire Ambulance Service. This initiative provides pupils with essential CPR training, equipping them with the skills and confidence to potentially save a life in an emergency.

Learning CPR is a vital life skill. It empowers young people to act quickly and effectively in critical situations, increases awareness of cardiac arrest, and fosters a sense of responsibility and community care.

To support the Yorkshire Ambulance Service Charity and help them continue delivering this life-saving training, we are inviting families to contribute in any of the following ways:
